CITIZENS TO BE HEARD – ATTORNEY ROB DAVIDSON

Attorney Rob Davidson appeared on behalf of his client Matt Zoppetti regarding the Bloomsburg Mills Project. He understood there were no EDU's associated with this property. He noted that he had a statement from our engineer affirming 160 EDU's which Matt believes should remain with the property. Solicitor Luschas said that the parcel had been vacated for more than a year and that Matt could apply for a sewer permit and remit the appropriate fees.

On a motion by C. Renninger, seconded by A. Barton and voted on unanimously, the Board approved hiring Dan Cook as an Operator at the wastewater treatment plant pending a successful background check.
