CITIZEN TO BE HEARD

Diane Levan, Planning Commission Member, raised several concerns she has with current practices of the Planning Commission. She would like to better understand the process and procedure of which items should come to the Planning Commission and which items should bypass the Planning Commission and come to Council directly. Mayor Davis recommended that she should attend the next Community and Economic Development Committee Meeting to discuss her concerns further.

Doug Reiter mentioned the concern for additional signage at the corner of W. 3rd Street and Scott for truck traffic trying to make deliveries to Autoneum.

Being no further business the meeting adjourned at 7:18pm.
