Idiopathic Pulmonary Fibrosis Proclamation**

**Designating the Month of September 2024 as "Idiopathic Pulmonary Fibrosis Research and Awareness Month"**

**WHEREAS**, Idiopathic Pulmonary Fibrosis (IPF) is a debilitating and generally fatal disease marked by progressive scarring of the lungs, causing an irreversible loss of the lung tissue's ability to transport oxygen; and

**WHEREAS**, Idiopathic Pulmonary Fibrosis progresses rapidly, often leading to disability or death within three to five years of diagnosis; and

**WHEREAS**, Approximately 100,000 people in the United States are currently living with Idiopathic Pulmonary Fibrosis, with around 30,000 to 40,000 new cases diagnosed each year; and

**WHEREAS**, Idiopathic Pulmonary Fibrosis is the most common form of interstitial lung disease, yet it remains under-recognized and underfunded compared to other diseases; and

**WHEREAS**, There is no proven cause of Idiopathic Pulmonary Fibrosis, and it is frequently misdiagnosed or underdiagnosed, leading to delays in appropriate care; and

**WHEREAS**, Idiopathic Pulmonary Fibrosis is five times more common than cystic fibrosis and Lou Gehrig's disease, yet it remains virtually unknown and receives a fraction of the research funding necessary to make significant progress in treatment; and

**WHEREAS**, The median survival rate for those diagnosed with Idiopathic Pulmonary Fibrosis is three to five years, highlighting the urgent need for increased research and development of effective treatments; and

**WHEREAS**, Organizations such as the Pennsylvania Idiopathic Pulmonary Fibrosis (IPF) Support Network play a vital role in raising awareness and providing essential support and education for patients, families, and healthcare providers across the Commonwealth of Pennsylvania; and

**WHEREAS**, Increased research, awareness, and early detection of Idiopathic Pulmonary Fibrosis are critical to improving diagnosis, treatment, and ultimately finding a cure for this devastating disease;

**NOW, THEREFORE**, I, Justin C. Hummel, Mayor of the Town of Bloomsburg, Pennsylvania, do hereby proclaim September 2024 as "Idiopathic Pulmonary Fibrosis Research and Awareness Month" in the Town of Bloomsburg. I encourage all citizens to learn more about Idiopathic

Pulmonary Fibrosis, support those affected by this disease, and advocate for increased research and funding to combat this serious health issue.

**IN WITNESS WHEREOF**, I have hereunto set my hand and caused the Seal of the Town of Bloomsburg to be affixed this 26th day of August, 2024.

**Subject:** a heavy heart full of gratitude

Dear Mayor, Council, Lisa, Scott, John "Fritzzy", Mike, Charles, BJ, Jack, BPD and PE, Town staff, and Citizens of Bloomsburg,

With the announced retirement of my department chair at Commonwealth University last spring, I was nominated by my colleagues to step into that leadership position. As my department was preparing to vote, the university announced a reorganization. The department became much larger with fewer support positions. I was elected chair of my original department and then elected chair of the new larger department a short time later. It is an honor to serve my colleagues and students in my new heavily administrative role at the university.

Although I had the desire to continue my service on Town Council, it has become clear in the last two months that I cannot remain an engaged and effective elected representative of the citizens and, simultaneously, an engaged and effective elected leader for my colleagues and students. Therefore, it is with a heavy heart that I am resigning from Bloomsburg Town Council, effective Tuesday August 13, 2024.

Working with Council, town leadership and staff, and other citizen leaders, we have achieved more than I imagined possible, first among them the Non-Discrimination Ordinance, but also sidewalks from Main Street to the river, the Bloomsburg Area Recreational Trail, reopening of the Norris E Rock Memorial Swimming Pool, the dog park, the Zoning rehaul, and so much more. Words cannot express the gratitude I have for our excellent town manager, police chief, department directors, and staff.

Sometimes it has been insomnia-inducing, most of the time it has been rewarding, but every time it has been my privilege to work with these fine individuals in our service to Bloomsburg. Please continue to seek out leaders with a vision for the future of our community.

I will attend and vote in this evening's meeting.

Sincerely,  
Toni Bell

Lisa:

No, I see no need to list the spaces specifically. Given your e-mail, I did remove the first two references on Exhibit A.

It is updated and attached.

**Subject:** FW: Parking Ordinance

Jonathan,

This was the ordinance for Ft. McClure Blvd. and the no parking. While looking at Ft. McClure I think the first one listed is a duplication of 3 (all-encompassing). We did address that in #3 there were valid spots east of Market Street on both the north and south side between Market and Catherine on Ft. McClure. Do those spots need to be detailed out? I don't think #2 is needed anymore as the A-frame is no longer there.

I'm not familiar with the A-Frame; it may have been gone prior to my tenure. I believe 3 captures what was intended.

**ORDINANCE NO.: 2024-\_\_\_\_**

**AN ORDINANCE OF THE TOWN OF BLOOMSBURG,  
COLUMBIA COUNTY, PENNSYLVANIA; AMENDING  
CHAPTER 15, OF THE MUNICIPAL CODE OF THE TOWN  
OF BLOOMSBURG, PA, SECTION 15-303 UPDATING THE  
PROHIBITION AND REGULATION OF PARKING**

**WHEREAS**, the Pennsylvania Boroughs and Incorporated Towns Code, Title 8 of the Pennsylvania Consolidated Statutes (the "Town Code"), provides to the Town Council of the Town of Bloomsburg (the "Town Council") the ability to make regulations as may be necessary for the health, safety, and general welfare of the Town and its residents;

**WHEREAS**, the Town Code authorizes Town Council to regulate among other things, parking (Section 1202(31)), the streets (Section 1202(12)), the towing of vehicles (Section 1202(34)), and the licensing of parking (Section 2903);

**WHEREAS**, additionally, the Town Council has granted broad powers under the Town Code to act for the benefit of the public welfare;

**WHEREAS**, Town Council has further noted that regulations of parking and street usage and usage of the public ways are matters that require frequent revision to address changes in parking patterns, street usage, development and other natural recurring circumstances for which the passage of an Ordinance is unduly cumbersome, and, therefore, it has been determined that the terms hereof shall be subject to amendment by Ordinance; and

**WHEREAS**, the Town finds that it is in the best interest of residents to amend its existing Ordinance Code section pertaining to parking on the Town streets.

**IT IS HEREBY ENACTED AND ORDAINED** by the Town Council of the Town of Bloomsburg, Columbia County, Pennsylvania, as follows:

**Section 1.** Chapter 15, "Motor Vehicles and Traffic," Part 3, "Parking Regulations," Section 15-303, "Parking Prohibited at All Times in Certain Locations," Appendix B, "Parking Prohibited at All Times in Certain Locations" of the Municipal Code of the Town of Bloomsburg, PA shall be and hereby is amended to be as presented in Exhibit A attached hereto.

**Section 2.** The provisions of this ordinance are severable. If any part of this ordinance is declared to be unconstitutional, illegal or invalid, the validity of the remaining provisions shall be unaffected thereby. It is the intention of the Town Council of the Town of Bloomsburg that this ordinance would have been adopted had such unconstitutional, illegal, or invalid part not been included.

**Section 3.** This Ordinance shall become effective ten (10) days after its approval by council.

**DULY ENACTED AND ORDAINED** this \_\_\_\_ day of August, 2024, by the Town Council of the Town of Bloomsburg, Columbia County, Pennsylvania, in lawful session duly assembled.

## PROJECT APPROACH

The Town is requesting an update to the Pavilion Reservation page. Currently, people select a pavilion, date, and time they would like to reserve. Then, they receive an email stating the pavilion is reserved for them, or that the pavilion was already reserved by someone else and they need to make another selection. Council would like the Pavilion Reservation page to state if a pavilion is unavailable at the time of booking to prevent confusion when people do not check their email.

## SCOPE OF SERVICES

The reservation page will be revised to provide the following:

- Dynamically filter the pavilion/date/time selections based on what is already reserved. (Ex: Closest to Kidsburg is reserved on Aug 24 from 2 pm – 6 pm. The Time Selection will only show options for 10 am – 2 pm and 6 pm – dusk).
- Provide a message that says “X pavilion is unavailable for the selected date” if it is already fully booked.
- Back-end system will remain the same so people will still get a confirmation email about their booking

## FEES

We propose to complete the above scope of work the lump sum amount of \$3,000
