The public joined by dialing: +1 646 558 8685 U.S. and included the meeting ID: 456-920-3798. The public could also join online at: <https://us02web.zoom.us/j/4569203798>.

Mayor Justin Hummel called the meeting to order at 8:00 a.m., present were Council members James Garman (Zoom), Jaclyn Kressler, Nick McGaw, and Bonnie Crawford. Town Manager/ Secretary/ Treasurer Lisa Dooley, Director of Code/Zoning Michael Reffeor, and Director of Governmental Services/ Recycling Coordinator Charles Fritz. Also attending were MJ Mahon, Dawn Moore (Zoom), and Eric Sechrist. Absent were Jessica Jordan and Maria Valentin.

On a motion by J. Kressler seconded by B. Crawford, and voted on unanimously, Council approved the option of stone and only paving the area between the ADA accessible walkway and the boat launch including the Handicap Parking spaces. This motion would also take the extra increase of funds out of the America Rescue interest funds.

E. Sechrist from LIVIC Civil said the contractor excavated 3 feet down and the soil is wet and soggy. No amount of time would be able to dry it out long enough to proceed with the normal scheduled work of paving the area. The chances of the area flooding were addressed and the Public Works crew will have to scrape the mud off.

On a motion by J. Kressler, seconded by B. Crawford, and voted on unanimously, Council adjourned the meeting at 8:17 a.m.
