America's 250th Anniversary: Reflecting on a Quarter Millennium of Freedom and Progress

On July 4, 2026, the United States of America will celebrate its 250th anniversary—a historic milestone marking two and a half centuries since the signing of the Declaration of Independence in 1776. This occasion, known as the *Semiquincentennial*, invites Americans to reflect on the country's remarkable journey from a fledgling group of colonies to a global leader and a diverse, dynamic democracy.

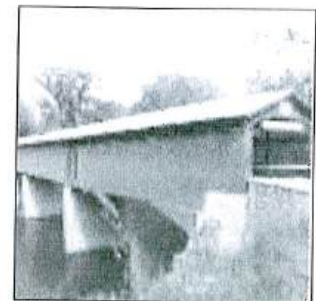

Did you know—Pennsylvania became the second state on December 12, 1787.

Bloomsburg University was founded in 1839, as the Bloomsburg Literary Institute. The first building was Carver Hall.

The Town of Bloomsburg, Pennsylvania, was established on March 4, 1870. It was incorporated as a town, making it the only incorporated town in the state. The area was originally laid out in 1802 by Ludwig Eyer and was known as Eysenburg and Eyertown. In 1870, it merged with Bloom Township and became the town of Bloomsburg. 

The Rupert Covered Bridge No. 56 is on the National Register of Historic Places and is the oldest existing covered bridge in Columbia County. Constructed in 1847.
